Letter from our CEO

Dear Golfers,

Poverty in Williamson County is at an all-time high. Almost 13,000 people are living on less than \$33,000 a year—and that's for a family of four. In this county and this economy, you can imagine the hardship that brings.

Your extra fundraising efforts make a huge difference in the lives of local neighbors in need. Every dollar you raise goes straight to families who are hungry, struggling to pay utility bills, or facing eviction.

The neighbors we serve come from all walks of life. Some are employed, middle-class people facing a life-altering event like a serious illness. Their income is too high to get government assistance, but it's too low to carry them through a crisis. Others have lost their jobs, and they can no longer pay their rent. And many are seniors citizens on fixed incomes who cannot afford to keep their fridges full.

At GraceWorks Ministries, we are convinced that your efforts and generosity have an immediate and eternal impact. That's why we're asking you to go the extra mile by participating in Peer-to-Peer Fundraising. We're so grateful for your support.

Alicia J. W. Bell
GraceWorks, CEO

Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.
